

## Gold Rush Georgia Trout Camp 2018 Application

**1. Using your own words, tell us why you want to go to trout camp in 50-100 words.**

**2. On a separate sheet of paper, answer the following questions:**

**a. Name the different species of trout found in the Southern Appalachians. Tell how each species came to be here. Briefly describe the physical characteristics of each and point out how to tell the difference between each species.**

**b. Give a history of the artificial fly.**

**c. Describe the differences between each group of flies listed below then describe how each is to be fished:**

- **Dry Fly**
- **Wet Fly**
- **Nymph**
- **Streamers**

**3. List three different types of fishing rods and the differences between them.**
